LUSTY LABE LICKERS

I bought the March copy of OVER 40 because of the two hot blondes on the cover. I love Taryn and Kim's layout, especially the centerfold photo. Seeing two women together is very sexy! You can see in their piercing blue eyes just how turned on the both of them are by touching each other's curvy, womanly body. Their hard, pink nipples and wet, shaved-smooth, pink pussies tell the rest of the story!

Back when I was 20 and in college, I became friends with a forty-ish lady. She had returned to school after raising two sons my age on her own, and I felt a great amount of respect for her. A great amount of lust, too! We had sex in the library every Friday for three months, until the end of the semester. She was one hot freak, and I will never forget her!

HORNY PIGS LIKE IT ALL

The March OVER 40 is a super issue, starting with the bi-babes on the cover, Taryn and Kim, to the last oversexed cougar.

I am really drooling for Ida. I would love to fuck her and leave her with a pussy full of cum she could show off to her perv of a husband. I don't get men like him. If Ida were my woman, I wouldn't want to share her with anyone!

Starr is a total slut. I got hard reading about her taking on five guys at once and getting a dick in all of her holes.

And Denise! She's got a great body and it is a turn-on to know she would fuck an average guy like me, if only I could have the good fortune to meet her. It's a nice jerk-off fantasy.

All the models in the magazine are hot, but these three are my favorites, and I would like to see more of Ida, Starr and Denise in future issues.

WILD WIFE

I am a 44-year-old married woman. My husband has a subscription to OVER 40 and I enjoy looking at the magazine when he's not around. I was keeping a secret from him and decided to come clean after

reading Taryn and Kim's story in your March issue. Like Kim, I had been attracted to women my entire life, but it wasn't until shortly after I turned 43 that I dared to explore my bi side. That was because at a sales convention I attended for my company, also like Kim, I met a sensual and understanding woman much like Taryn, who brought me out and showed me what I had been missing. This is what I told my husband in between going down on him and riding his dick.

Her kisses were soft. She darted her tongue into my mouth. I felt a tightening in my groin, I got wet, and I could actually feel my nipples hardening.

Hearing this, my husband's rock-hard dick pulsed noticeably as he listened and stared without blinking.

She slowly undressed me. Her hands felt wonderful on my bare body. She knew where to touch me. I went weak in the knees as I fumbled with the zipper on the back of her dress. I wanted her naked, too.

My husband now held me by the ass, lifting me up and down on his dick. I caressed my own breasts, rubbing my hard nipples as I continued my torrid tale of lesbian sex.

She gave me oral. I gripped the bed sheet and writhed uncontrollably. Her tongue went deep and I could no longer remain submissive. I turned myself around without disengaging from her mouth and I went down on her at the same time.

At this point with my husband, I was close to orgasm and lost my voice. Just as I climaxed, he shot a huge load high inside my pussy. I have been with several women since and relating my experiences to him has become our favorite form of sexual foreplay.

19 INTO 42 = HOT CUMS

I am a big fan of OVER 40 and am writing to say how much I enjoy the magazine and to tell about my experience with an older woman, a MILF who very much resembled Kirsten in the March issue.

I was 19 and she was 42. It was a bit weird at first, but man, did I learn a lot! All my girlfriends since owe her a big thank you. She taught me how to make a woman sexually happy.

She rested her hands on my shoulders and kissed me on the lips, and she whispered in my ear that she wanted me. Then, she moved one hand over my shoulder and down my back, and ran her fingers through my hair, asking me if I wanted her. I could hardly get the words out of my mouth, telling her yes, I wanted her. Oh, wow, did I! I was totally awestruck.

The sex was wild. She had me eat her pussy and taught me how to use my tongue to make a woman scream in ecstasy. And she gave me head, swallowing my cock to the root, and she sucked me until I gave her my cum. It was the best head I'd ever gotten!

She got me hard again and showed me how to find a woman's G-spot with my finger. She had me rub her there a while and then she mounted me and fucked me on top. I never saw a woman that enjoyed fucking as much as she did. Every time she came, her pussy flexed around my cock, until I couldn't take it anymore and unleashed another hot torrent of jizz, which pleased her just as much as it pleased me.

Older women definitely do it better. I know that for an absolute fact!

"I went down on her and my husband fucked me in the ass from behind."

AGE:
42
OCCUPATION:
Housewife
FROM:
St. Augustine, Florida

BY REVA MOORE

OVER 40: Give me three or four words that describe your personality.

MORGAN: I am warm, friendly, a homebody, and real.

O40: I know that you are married. How does your husband feel about your nude photos in the magazine?

M: It's a turn-on for both of us to have men jerking off thinking about me. My husband is proud of what he has and wants the world to see. He thinks there is nothing sexier than a woman with the confidence to expose herself.

O40: Many of our readers will agree. I bet you two have a great sex life.

M: We love it up all the time, more so since the kids are gone. Spontaneous sex has kept our marriage alive and hot.

O40: Spontaneous as in anytime, anywhere?

M: Spontaneous as in showing up at my husband's office in a trench coat, with only an itty-bitty bikini under it, and giving him a surprise BJ behind his desk.

O40: I assume he has a private office.

M: Yes, and he's the boss.

O40: Have you ever had outdoors sex?
M: Many times. We love to have sex by a campfire. A few glasses of wine and a nice comfy blanket, and it's all good.

O40: Do you ever bring other people into your bed?
M: As a matter of fact, yes. We shared our bed with another couple after the four of us had spent the evening out together, and we had a three-way with another woman.

O40: Are you bisexual?

M: No, but I am always up for learning new things.

O40: Tell us about your time with the other couple. Did you swap partners?

M: No, but we had sex with our own spouse right next to each other and there was some touching. Her husband groped my ass and my husband touched her breasts. It was the biggest turn-on ever. I liked showing off my moves and watching another couple make love was very exciting.

O40: How did the three-way come about?

M: It was on a whim. I have a friend who is bisexual and she had been trying to get into my panties for years, and was thrilled when I told her what I wanted. My husband and I set a few ground rules first and it turned out to be a great experience.

O40: What were the rules?

M: He could touch her anywhere she would let him and she could give him head, but he couldn't fuck her, only me.

O40: So how'd it go?

M: We had my husband sit comfortably in an easy chair that we brought into our bedroom from the living room. Then, she and I knelt on the bed facing one another and slowly undressed each other. She put her hand behind my head, brought me closer to her, and kissed me on the lips. A shiver ran through me. I kissed her back and when our tops were off, we felt each other up. I heard my husband open his pants and I knew what he was doing and it excited me very much.

O40: Did he eventually join in?

M: Eventually, but I promised my friend she could eat my pussy and she gave me the most amazing oral sex I'd ever had. By then, my husband was out of his pants and by the bed, beating off. I didn't want him to waste his load, so we switched it around and I went down on her and my husband fucked me in the ass from behind. He craned his head so that he could see over my shoulder and watch me eat her out. It was the kinkiest thing we'd ever done and a real blast!

O40: Do you have anything planned to top it?

M: Nothing definite, but I want to be dominated by two women while my husband watches and is denied release. I have a very dirty mind!

"I like a power play in bed."

AGE:
41
OCCUPATION:
Private Investigator
FROM:
Harrisonburg, Virginia

BY MAGGIE SPECTER

OVER 40: Give me three or four words that describe you sexually.

AIMEE: I am wild, spicy, and juicy.

O40: Sounds like a chicken wing. How do you feel about being thought of as a cougar? Are you into younger guys?

A: I am a cougar and loving every minute of it. I absolutely enjoy the pleasure of being with a younger man. I also date men my age and slightly older, too, but I prefer younger men. Younger men have more energy and usually can keep it up longer and don't need much time to get hard again and again.

O40: Do you have any tips on how a younger man should approach an older woman he is interested in? Where are some places to meet older women?

A: The rules for hooking up are the same at any age. Approach her honestly and just ask her out. If she's not the type to date a younger man or isn't interested for some reason, just brush off your ego and move on. Cougars go to places where young men go. For example, sports bars and the hottest clubs in town.

O40: Are you a take-charge woman in the bedroom?

A: Not necessarily, but I am not quiet and passive, either. I might take control and tell him what I want and show him with my hands, but it also feels good to give up total control for a little while. I like a power play in bed. A little wrestling, you pin me down, I pin you down, and we both win with wild monkey sex and slammin' orgasms.

O40: Have you ever been tied up for sex or used handcuffs as a sex toy?

A: I have never been tied or cuffed, but I think it would be fun with the right guy, someone who would keep it playful and not take it too far. Actually, that's one of my fantasies.

O40: Do you like to undress the guy or do you prefer he undress you?

A: It doesn't matter, whatever feels right at the time, just so we

Storeknegf.com

get naked and devour each other.

O40: What types of foreplay do you want?

A: I want his hands all over me. I want him to go down on me. I want to see his dick get hard and hold it my hands and in my mouth. I want him to squeeze my breasts, but not too hard, and suck them and whip my throbbing nipples with his tongue.

O40: Do you like to have his dick between your breasts?

A: Yes, and I like to lick the head when it slides up or take the head into my mouth and swirl my tongue around it.

O40: Do you like anal sex or any kind of ass-play?

A: I enjoy anal stimulation and anal sex if the guy isn't overly endowed. I like the pleasant, full sensations in my lower belly that I feel with anal sex, and when he cums in me.

O40: Where else do you like to take a man's cum?

A: In my mouth or on my breasts.

O40: Which do you prefer, missionary sex, cowgirl-style or the doggy position?

A: I like all three. I like missionary, with some dirty talk and a good, hard screw. I like doggy, because it's primal, neighbor-waking sex. And, I like being on top and sliding my pussy down his pole to the bottom and holding it there a while before riding back up.

O40: What would you like our readers to think about while looking at your pictures in the magazine?

A: I would like that when they look at my pictures, they can't think, because their dicks are just too, too hard!

Maeve

"I teased a little more by using his dickhead as a sex toy before I finally popped it into my pussy."

AGE:
46
OCCUPATION:
Warehouse Manager
FROM:
South Plainfield, New Jersey

BY BEA HARRIS

OVER 40: Was posing for our magazine a big turn-on for you?

MAEVE: I didn't think it would be until I heard the camera click. The thought of all those eyes on my naked body aroused me, and I guess I have something of the exhibitionist in me. I do get a thrill from undressing for a lover, but I always thought that was just anticipating sex.

O40: Are you married?

M: No, I'm single again and have been for about five years now.

O40: Are you seeing anyone special?

M: I've been dating a guy regularly, but I also have one-nighters. What's best about Gordon is how he understands my need for variety. It's only fair for me to respect his as well.

O40: So, you don't mind his fucking others.

M: No, and I love to hear him talk about it. We exchange sex stories, and sometimes we try to do what we've done with others. We're getting closer, and we might eventually make it permanent — as long as we maintain the variety.

O40: Sounds like you'd make a good swinging couple.

M: I can't say that will never happen, but so far, our separate experiences are just that, separate.

O40: Do you know other men you can fuck regularly?

M: No, just pickups. I'm a warehouse manager, and I am excellent at reading people. At the slightest sign of something wrong, I'll turn off whomever I was talking to at one of my pickup bars.

O40: What kind of man are you particularly attracted to?

M: I prefer men who are taller than I am, but not a great deal more. Heavily muscled types aren't attractive to me, but neither are men who are skinny enough to be called "beanpoles." My most recent pickup was a man in his late twenties. He had been a swimming champion in college and kept himself in shape. In fact, we met that way, attending the same gym. I love

to swim, and we had sort of a race. He won, of course, and after we were done, we had drinks and ended up at his place. I had already decided that I wanted to fuck him, but I didn't let on.

O40: You like to play hard to get.

M: Yes, but that's more like teasing, with me. I acted like I really wasn't sure, and I sounded almost indifferent when I let him put his arms around me and kissed me. We frenched, and I guess he knew I was just teasing when I didn't object to letting him take off my top. That thrill I mentioned came over me when I undid my bra and heard him gasp at the sight of my breasts. I was really horny by then, and I got naked the rest of the way and pranced around his living room while he got out of his clothes. I made him chase me for a couple of turns around his apartment, and then I seized his hard cock and led him to his bedroom.

O40: All the teasing had stopped by then.

M: Well, almost. I told him I didn't think he knew how to eat pussy, and he took that as a challenge. Well, he does know how to eat pussy, and I made believe I was really surprised. I told him I like to ride, and he got on his back. I straddled his waist and took hold of his cock — he'd slipped on a rubber — and I teased a little more by using his dickhead as a sex toy before I finally popped it into my pussy. That was quite a turn-on for both of us!

O40: And your layout is quite a turn-on, too, Maeve! Thank you for showing your sexy self in OVER 40!

"Caressing a man's body is a big turn-on and so is resting my head on his chest while slowly stroking him."

BY REVA MOORE

AGE:
44

OCCUPATION:
Executive Secretary

FROM:
Tyler, Texas

OVER 40: Is it a turn-on to be seen naked? What were you thinking about while posing for your naughty pictures?

SHELLEY: I wasn't thinking. I was just enjoying the moment. Being seen naked, teasing and taunting, is an erotic experience and a major turn-on, a real rush for me.

O40: Have you ever flashed in public?

S: Not in public, but I have flashed at the security camera in elevators, just to give the guy at the front desk a little thrill.

O40: Do you dress provocatively?

S: I like to dress provocatively when I'm at an adult event, such as a club or a gambling establishment, or a party. I don't know it is a midlife crisis or what, but I enjoy the looks and the stares I get. I love pantyhose, like the ones in the shoot. I find hose VERY sexy.

O40: How's your sex drive? Has it increased since you hit your forties?

S: My sex drive is rampant. I have the highest sex drive ever, more now than at any other age. I have been having a lot of meaningless sex, which is presently my favorite kind of sex.

O40: Are you bisexual?

S: Not really. I love men. I love their bodies. I have a close friend though, she's as horny as me, and when we're alone together, anything can happen.

O40: Anything? Be more specific.

S: Specifically, we use our fingers, our tongues and vibrators. We roll around on the bed, pleasuring each other until we're too sore and too tired to continue.

O40: Have you ever been in a threesome with a man and another female?

S: I have never been in a threesome of any kind, but I am open to it.

O40: What is the first thing you notice on a man? What is your favorite part of a man's body?

S: I notice the whole package at once, height, build, hair, eyes, what

storeklegs.com

they're wearing. If I am attracted to a man, my favorite part of his body when he is fully clothed is his face. When the clothes come off, my favorite part is that wonderful tool between his legs, especially if it's hard.

O40: What are some of your biggest sexual turn-ons and turn-offs?

S: My biggest turn-offs are close-mindedness, arrogance and immaturity in a man. My biggest turn-ons are a man who can look me directly in the eyes during sex, particularly at that breathtaking moment when he is about to enter me and then as his dick is sliding to the bottom of my pussy. Caressing a man's body is a big turn-on and so is resting my head on his chest while slowly stroking him and feeling his dick get harder and harder in my hand.

O40: Is man-on-top your favorite sexual position?

S: Yes, I think that it is. I like when he holds himself up over me, so that I can look down his body and see him going in and out of me.

O40: Do you tell him it feels good?

S: Yes, with my eyes, with my smile, and with the way I move my body under him.

O40: Do you tell the man when you're cumming or when you're about to cum? Do you want him to tell you when he's ready?

S: I usually orgasm more than a couple of times during sex and I just moan through the first few. I also can usually tell when a man is ready and that's when I might tell him that I am almost there. I think men find that hot and if he can hold off until we can both cum together, that is so, so awesome!

"My husband shares me, and I share him."

AGE:
43
OCCUPATION:
Legal Secretary
FROM:
Wilmington, Delaware

BY BEA HARRIS

OVER 40: How would you describe your sex life?

ADRIANA: Fulfilling or satisfying could apply to any woman's, but I can best sum up my experiences with share and share alike.

O40: Okay, how does that work?

A: My husband shares me, and I share him. Sometimes, we share each other at the same time.

O40: That sounds like swinging.

A: Another good word for it, but we mostly do three-ways. We both love to watch each other fuck someone else, and it's like a win-win situation for everyone involved.

O40: Would you say that enhances the experience when it's just you and your husband?

A: Oh, sure. Things were getting kind of routine in the bedroom, and we started to spice it up with adult videos. During one particularly hot scene, Clark said he could imagine seeing me with the man, and that made me wonder what seeing him with one of the women would be like. For a while it was just talk —

O40: Verbal foreplay?

A: Among other kinds, yes, but we prefer the physical kind more. Our kids are off in college, so we have plenty of time to get it on and do stuff around the house we couldn't when they were home.

O40: Do you fuck in different places around the house, like some women who've been interviewed here?

A: Oh, sure. When I wake up horny on a weekend morning when neither of us has to go to work, I'll follow him into the shower and seize his penis. We get in a good fuck or oral sex session before we've had breakfast. I tell you, it's a better way to wake up than coffee! We also like to fuck in the kitchen, and we often entertain — that's a mild way to put it — our threesome friends in our living room. We've had them in our bedroom, too, but it seems to be just a little hotter in the living room.

Storeklegs.com

O40: Now, say our readers are watching one of your living room entertainments. What will they see?

A: First, it's just any suburban get-together. We sit on our couch and have wine, and we're watching something racy on TV. I decide it's too hot in there, and I get out of my blouse and slacks. That's the signal for my husband to get off the couch and sit back in his chair, which is conveniently placed where he can see everything that goes on. Our friend strips down to his shorts, and he undoes my bra and slides his hands over my breasts. I shove a hand down his shorts and seize his cock, and he sucks my nipples. My husband is writhing around in his chair at this point. I tell our friend I want to see what I'm holding, and he breaks away just long enough to take off his shirt and shorts. He's already hard, and I promptly take his prick into my mouth.

O40: Is your husband jerking off at this point?

A: No, he saves it for when we're in bed together. After I make our friend cum, I sit up on the back of the couch, and he eats me out. When he's hard again, I'll get on all fours on the couch and we'll fuck that way. My husband leans over for a better view of his cock sliding into my pussy. When he's with another woman, I sit in his chair, and I don't wait to masturbate — I have my hand on my pussy the whole time. Oh, do I cum hard!

O40: Adriana, our friends will cum hard from seeing your layout. Thank you for posing for OVER 40!

BY MAGGIE SPECTER

OVER 40: What is your sex style? What are you like in bed?

HONEY: I can be very sensual and make a man feel like he is the most desired man in the world. I have an overactive libido, which makes me a 10 in bed!

O40: Are you bisexual?

H: Yes. Every girl is. I have always had very affectionate relationships with female friends, and they sometimes get sexual. No big deal.

O40: How often do you need sex?

H: I love having orgasms too much to go without several every day.

O40: Do you masturbate a lot?

C. No, not really, but I think I masturbate in my sleep. I frequently wake up with my fingers in my pussy and having a great orgasm.

O40: Describe a great orgasm.

H: A great orgasm is one that leaves you in a daze, with your head spinning and a pleasant throbbing going on inside your pussy.

O40: Are you married, single or in a relationship?

H: I am in a relationship, but it is pretty casual. I need to maintain a certain amount of independence. I like to be able to do whatever I want whenever I want and with whomever I want.

O40: Does that include having other sexual partners?

H: Yes, it does.

O40: How might you dress for sex?

H: In just stockings, a garter belt, a quarter-cup bra, and some high ass heels.

O40: Finish this thought. Good sex is when….

H: Good sex is when both partners just let themselves go and fully abandon themselves to their passions.

O40: What are your favorite types of foreplay?

H: I like fun foreplay, like cooking him dinner, wearing just an apron, and then letting him have whatever he wants for dessert. He usually wants dessert first. My favorite foreplay is receiving oral, feeling his lips all over my slit and his warm tongue inside my pussy, probing and swirling.

O40: Do you enjoy giving oral? Do you swallow?

H: I love giving oral; as long as my partner is sensitive enough to allow me to go at my own pace and not try to shove it down my throat. I enjoy feeling the throbbing muscle in my mouth. As far as swallowing goes, I do swallow. I know there are some women that prefer not to, but it has never bothered me. It's a turn-on.

O40: What is your favorite sexual position and why is it your favorite?

H: I rather enjoy missionary, with my legs on his shoulders, him up on his feet and practically bending me in half, where my knees are on my shoulders. In this position, I get really deep penetration and constant G-spot stimulation.

O40: Do you like it hard and fast or slow and easy?

H: I like to start steady and strong and end with a hot, hard finish. And when I say hard and strong, I don't mean faster. I mean, I want a deep, steady pounding.

O40: Do you like dirty talk during sex?

H: I like dirty talk if it revs the guy up. I like when he talks dirty, because I want to know what feels good to him and how to make it feel even better.

O40: Does it take you long to cum? Have you ever faked an orgasm?

H: I never ever fake it, but nor do I blame the guy if I don't cum. Fortunately, it's rare that I don't cum. I'm an easy cummer and frequently have multiple orgasms.

O40: Are you loud when you cum?

H: Yes, I'm a screamer. When I reach orgasm, the release can sometimes be overwhelming!

CALL ME COUGAR!

Forty-plus Julia recovers from a failed marriage with pickups and discovering her bisexual side!

By Julia Anderson

I used to think that "cougar" was an insult, the equivalent of "slut" or "whore," and I would be as offended by being called a cougar as I would at either of the other terms. I also believed that I would be happy with my husband forever, that our marriage would just get better through the years, and I scoffed at those who maintained that I was marrying too young. After all, I knew of couples who were going on 40 years and still quite together and happy to be so, and I imagined that for myself when I married Grady at age twenty-one and he was twenty-two.

For the first year or so, we could barely keep our hands off each other. When we weren't developing our careers, (law for me and medicine for Grady), we were partying with other young couples and with each other. The first signs of trouble arose about a year after that, and of course, neither of us was aware of it. By the time I was twenty-four and Grady twenty-five, we were having sex much less often. Fights got nastier, and I was the first to realize cracks in our compatibility. We hung on together until we were in our early thirties, and then he started cheating.

It would've made sense to end the marriage then, but like most people, we weren't sensible enough. My response when I found out was to get back at him by cheating with other men. As a litigator, being on one side or another of corporate battles, I met plenty of studly men my age. I learned that sex was more than just having the man on top of me, and that some orgasms were more powerful, more satisfying than ever. Grady and I still screwed from time to time, but his performance just didn't seem to match up with my outside men.

He was probably more energetic with his outside women, but that was far from my concern. I saw my fantasy world collapsing around me, and at some point, I don't remember when; I stopped thinking in terms of saving the marriage. My thoughts were focused on my career, and as I advanced, I dated less.

Eventually, Grady found out that cheating worked both ways. His reaction was to demand a divorce immediately, and I agreed. In less than six months, our ten-year marriage dissolved. Finding myself on my own again was difficult at first, and for nearly a year I didn't date. My affairs had all been casual, and my lovers had gone on to marriage. My sex drive was way down, and I only occasionally masturbated.

I was attending my local gym regularly, and I started to notice the other women in the shower room. I found myself cataloging breast shapes and pubic hair, and I always found myself with my fingers in my pussy the night after a gym session. I should have realized that was a sign of bisexuality, but since I'd married and dated men, I assumed I was "strictly dickly," as the saying goes.

My sexual feelings returned gradually, and I started dating again. At the same time, I was noticing the other women more and more, and I started to wonder if I was actually attracted to women as well as men. I had a few long-term affairs, but I was hesitant to get married again, and I was advancing professionally. My sex drive suddenly increased dramatically when I was in my late thirties and I managed to keep it in check until just after I turned forty.

That's when the term "cougar" could really apply to me. I started picking up younger men for what I believed was more stamina, but I found myself playing the teacher when we got to bed. Older men knew how to satisfy a woman orally, but younger men

needed the practice. My ex couldn't do a very good job of it, and I didn't think I would get much out of oral sex until I started to step out on him.

A Patent Attorney, Mark, was my first extramarital lover. I had discovered Grady's infidelity a few weeks before, and Mark had been flirting with me casually. I was reluctant at first, but I finally agreed to a date with him. We started by having lunch together, then dinner, and then a date, and after the movie, I found myself going back with him to his bachelor apartment while telling myself I wasn't. Grady was away on one of his "business trips," actually a shack-up, and I was still telling myself "no" while Mark and I were in the elevator going up to his place.

He offered wine, and I heard myself say yes while trying to tell my mouth to say no. He sat next to me on his big couch. I turned to say something, and the next thing I knew, his arms were around me and my tongue was in his mouth.

Forget about saying no. I was hornier than I could remember being, and after we kissed and caressed for a long, delicious while, he led me to his bedroom. He had already opened the top of my dress, and he helped me pull it off. I turned my back to him, and he undid my bra strap. Clasping my now-bare sides, he slid his hands up under the opened straps and slid forward, riding his hands over my breasts and pushing off the bra. He kissed the back of my neck and cupped my breasts, and when he dropped his hands, I stepped away and wriggled out of my panties.

> "Janis sat at his hip and took hold of his cock, guiding it into my pussy, and she dropped a hand to her sex and started to masturbate leisurely while Arnie and I fucked."

Now naked, I lay back on his bed and watched him undress. Having him look at my naked body further inflamed my lust, and I felt my cunny moisten. He stripped, and when his prick came into view, I felt an overwhelming desire to take it into my mouth. I'd performed fellatio on my ex and liked it well enough, but the sensation was nothing like taking his prick into my mouth — another man's prick — for the first time.

My hand dropped to my pussy as if it had willed itself to go there. As his thick penis, thicker than most I'd encountered, filled my mouth, I stroked my labia and dipped in a finger. Mark gasped in surprise, and I felt him start to cum, his load spattering the roof of my mouth. Without intending to, I swallowed, and he was breathing hard as he withdrew and tumbled over next to me.

"It's my turn, Julia," he murmured.

I was so hazed over with lust that I actually didn't know what he meant. "Your turn for what, Mark?"

He chuckled, thinking I was joking, and he slid down the bed and spread my legs. I realized what he meant when he shoved his head between my thighs and kissed my pussy, and he proceeded to eat me out like an expert. My ex tried and sometimes gave me a tingle or two, but it took two seconds for me to realize that Mark was genuinely into the act.

Curling his tongue, he pushed it into my slit and licked in slow circles, brushing the tightened tip against my G-spot. I had never felt such a sharp rush of pleasure. I heard a soft moan, and it took me a couple of seconds to know it was coming from my own throat. He licked a few more circles and withdrew his tongue, pressing it firmly against my labia and licked in what felt like lines and circles, and I felt myself get very wet. My pussy lips swelled against his mouth, and I felt like I was very close to orgasm. Feeling something hard made me lift my head, and I saw that he had slipped in two fingers, his thumb up. He started to stroke like his fingers were his penis, and he pressed his mouth against the top of my clit, flicking the tip over my clitoris. My orgasm built slowly and exploded, making me lift both legs nearly straight up. I closed my eyes as the climax peaked, and I heard myself shriek out my pleasure.

I just barely felt him lift his mouth off my sex. Mark slid out from between my legs, and I opened my eyes when I felt the bed shake. He got off, and I saw that he was fully erect again. His gaze was on the rising and falling of my breasts as I breathed hard, and he stepped over to his dresser and pulled open a drawer.

"We'll need these." He held up a box of condoms.

"Yes, we will, and it's your turn again," I quipped.

He rolled the condom over his erection and got on the bed. "So, how do you like it?"

"I love it!"

"Of course, but I'm referring to positions. Do you have a favorite?"

My ex and I had done it missionary except for a few times when I took it on all fours. "Well, let's have YOU pick the position, Mark." I didn't want to tell him that I barely knew positions at all.

"Do you like to ride, Julia?"

Before I made myself look stupid by asking if he was referring to horses, I realized what he meant. I hadn't tried different positions, but at least I knew there was something called woman on top or cowgirl style.

"Sounds like fun."

I said that because I didn't know what else to say, but Mark laughed, assuming I was making a joke. He got on his back, and I didn't have to wonder if I knew what to do. His erection was sticking straight up, and I promptly crouched and threw a leg over his waist. Mark laid his hot hands on my naked hips, helping me steady myself. I wrapped my fingers around the base of his prick and slowly sank down, and I spread my labia with my free hand.

Acting on a sudden inspiration, I pressed the tip of his dickhead to my labia, not into my slit, and I slowly rubbed it over both lips and dabbed at the clit.

"Yes, you know how to do this," Mark said hoarsely. "Just don't torture me for too long."

A hidden ability had just revealed itself, and I saw no point in telling him that I had never fucked this way before. My using his dick as a temporary sex toy made him think so, and I popped the head into my slit and slowly slid down. He thought it was a bit more teasing, but I was concerned about hurting him if I moved down too fast. He lifted his hips, driving in more of his prick, and I pushed down harder and kept going until I felt his scrotum against my pussy.

I lifted up, remembering that fucking was a matter of in-out strokes, and he pushed up toward me. I lifted again, he pushed again, and we increased the speed of the intercourse until we were making the mattress groan in chorus with our sighing and moaning. Mark lifted his hands to my breasts and squeezed my nipples, and my second orgasm of the night exploded all at once. Uttering short, sharp cries of ecstasy, I rained arousal over his cock and balls. Mark stayed with me as my orgasm raged on, and I dimly felt his cock start to jerk, ejaculatory movements. At the last minute, he turned us on our sides, and he groaned deeply and gasped something that sounded like cumming.

Our affair lasted for a couple of months, and then he was transferred to another firm and a higher position. We promised to see each other whenever he was in town, but I knew that we were done with each other. After a couple of sad nights, I realized I wasn't really ready to marry him anyway, and that I wasn't into marriage at all.

Several more pickups followed, a one-hour and a one-night stand, and then I met Arnie and Janis. By then, I had admitted to myself that I was attracted to women, but I had no idea how to approach any of the women I saw naked in the club's shower room and I wasn't sure I'd know what do with a woman if I got her into bed.

I met Arnie first, and I thought he was going to be just another pickup. We kissed in the elevator heading up to his apartment, but when we got there, a woman of about my age was sitting on his couch and smiling.

"Julia, this is my wife, Janis."

"Oh! Oops! I started for the door before a loud fight broke out, but Arnie chuckled and invited me to stay."

"Yes, please do, Julia," she said. "We'd love to have you."

She was wearing a silk robe that was open enough for me to see that she was wearing a short nightgown under it. I could see her bare thighs, and a vivid image of the naked female bodies I'd seen in the club came vividly into my mind.

Arnie asked, "Have you ever had a threesome, Julia?"

How could I convincingly say I had? "No," I admitted. "But I am curious."

"Are you curious about what sex with another woman would be like, Julia?"

"Well, I guess so." Actually, I was suddenly quite interested. We sat around and talked for a while, and I mentioned my failed marriage. Arnie laughed and said it was the second time around for him, and Julia said it was also her second time.

By the time we headed to their bedroom, I was completely relaxed and felt like I had known them for some time. I had two pairs of eyes on me as I undressed, and I felt a new kind of lust when Janis took off her nightgown. She was naked underneath, and I kept looking from Arnie's prick to her breasts and pussy and back again. They got on the bed, and Arnie slipped on a rubber. I got on my back, and he climbed over me. Janis sat at his hip and took hold of his cock, guiding it into my pussy, and she dropped a hand to her sex and started to masturbate leisurely while Arnie and I fucked.

Janis's pussy was wet by the time Arnie pulled his cock out of my pussy. "In a threesome, when the man is out of action, we girls get into it. If you want to, of course."

First with fingers and then with tongues, Janis made me cum very hard. I insisted on returning the favor, borrowing Mark's term, and to my surprise, I actually had her cum on my mouth.

Later, the three of us lying by side, Janis commented, "Three-ways are great fun, Julia, but orgies are even better. We happen to know the right people, and if you think you'd like a party like that, let us know."

I didn't have to think about it at all! Three-ways and orgies are fine for me now, and I'm sure I'll eventually meet the right man for something serious — that would involve others, anyway! Now when I hear the word "cougar," I respond loudly and proudly, 'YES, that's me!'

Danelle

"I absolutely love deep-throating a hot, hard cock and I take pride at being able to please a man."

AGE:
45
OCCUPATION:
Dog Trainer
FROM:
Thornton, Colorado

BY REVA MOORE

OVER 40: Are you hornier now than when younger?

DANELLE: Much hornier! And the change seemed to happen overnight.

O40: Sexually speaking, what is the best thing about being a woman in her forties?

D: The best thing is that I feel like a horny 18-year-old again, but with the emotional maturity and sexual know-how I didn't have at that age.

O40: Describe your ideal lover.

D: My ideal lover is a man with confidence, who knows what he is doing. He is mentally present during the sex, not just going through the motions.

O40: Do you need foreplay? What types?

D: Good foreplay can make all the difference in the world. I like when the man takes his time, strokes my hair, and kisses me all over, and when he massages my neck, my back and my shoulders. I like straddling him and running my hands along his body, and then kneeling over his face so that he can lick and play with my pussy before I turn around to go down on him.

O40: Do you enjoy giving head?

D: I absolutely love deep throating a hot, hard cock and I take pride at being able to please a man by taking him down my throat. I can have orgasms while giving oral sex to a man.

O40: Do you expect the guy to return the favor and go down on you? If he doesn't, will you ask him to?

D: It's not an obligation, but I would love it if he did. It's not my style to ask for it. The only begging I do is at the height of orgasm, when I beg him not to stop whatever he is doing that is making me cum.

O40: Do you have a favorite sex position?

D: I like sex, period, any position, top, bottom, doggy-style, reverse-cowgirl, pile driver, on the bed, on the floor, in the shower, or over the railing of the back deck. I enjoy doing the dirty deed any way you can do it.

O40: Do you like it fast or slow?

D: Quick or slow, soft or rough, sweet or nasty, again, I like it all.

O40: Are you into anything kinky?

D: I like a little kink every now and then. I have been tied up and tied others up. I have had sex in public places, and I have had multiple partners at once.

O40: Where have you had sex in public?

D: In a parking garage, over the back of the car, in a wild, crowded bar, at a table, sitting on the guy's lap, and I gave a hand job to my date at a sports arena, sitting in the stands, with a blanket wrapped around us.

O40: How many were the most partners you were with at one time, doing what?

D: I was with three other people, me with my date and another couple. We had sex in the same room and then switched partners, and she and I fooled around a little bit while we were riding the men.

O40: Do you have any sexual taboos?

D: I won't do anything that involves pain or degradation.

O40: Do you have any unfulfilled sexual fantasies that you would like to have come true?

D: Yes, two big ones. I would like to be taken away to some romantic, exotic location and make love out in the open, with beautiful scenery all around. I would love to have two men at once, just ravishing my body. If I have my way, all of my fantasies will come true.
